

# Utah Population & Environment Council 2024 Speaker Series

## “Energy, Economy & Environment”

Speaker: Steve Bannister, Economist, Univ. of Utah

Monday, March 18, 2024

6:30-7:30 pm

Marmalade Library - 280 W. 500 N. in SLC  
Upstairs Conference Room

Steve will be discussing how a new, clean energy source could change everything - including the economy and our environment. There will be plenty of time for Q/A after Steve’s presentation.
